## DEDICATION

Here at San Jose High there is a person whom some students might not know, but they are aware of his valuable contributions to school life.

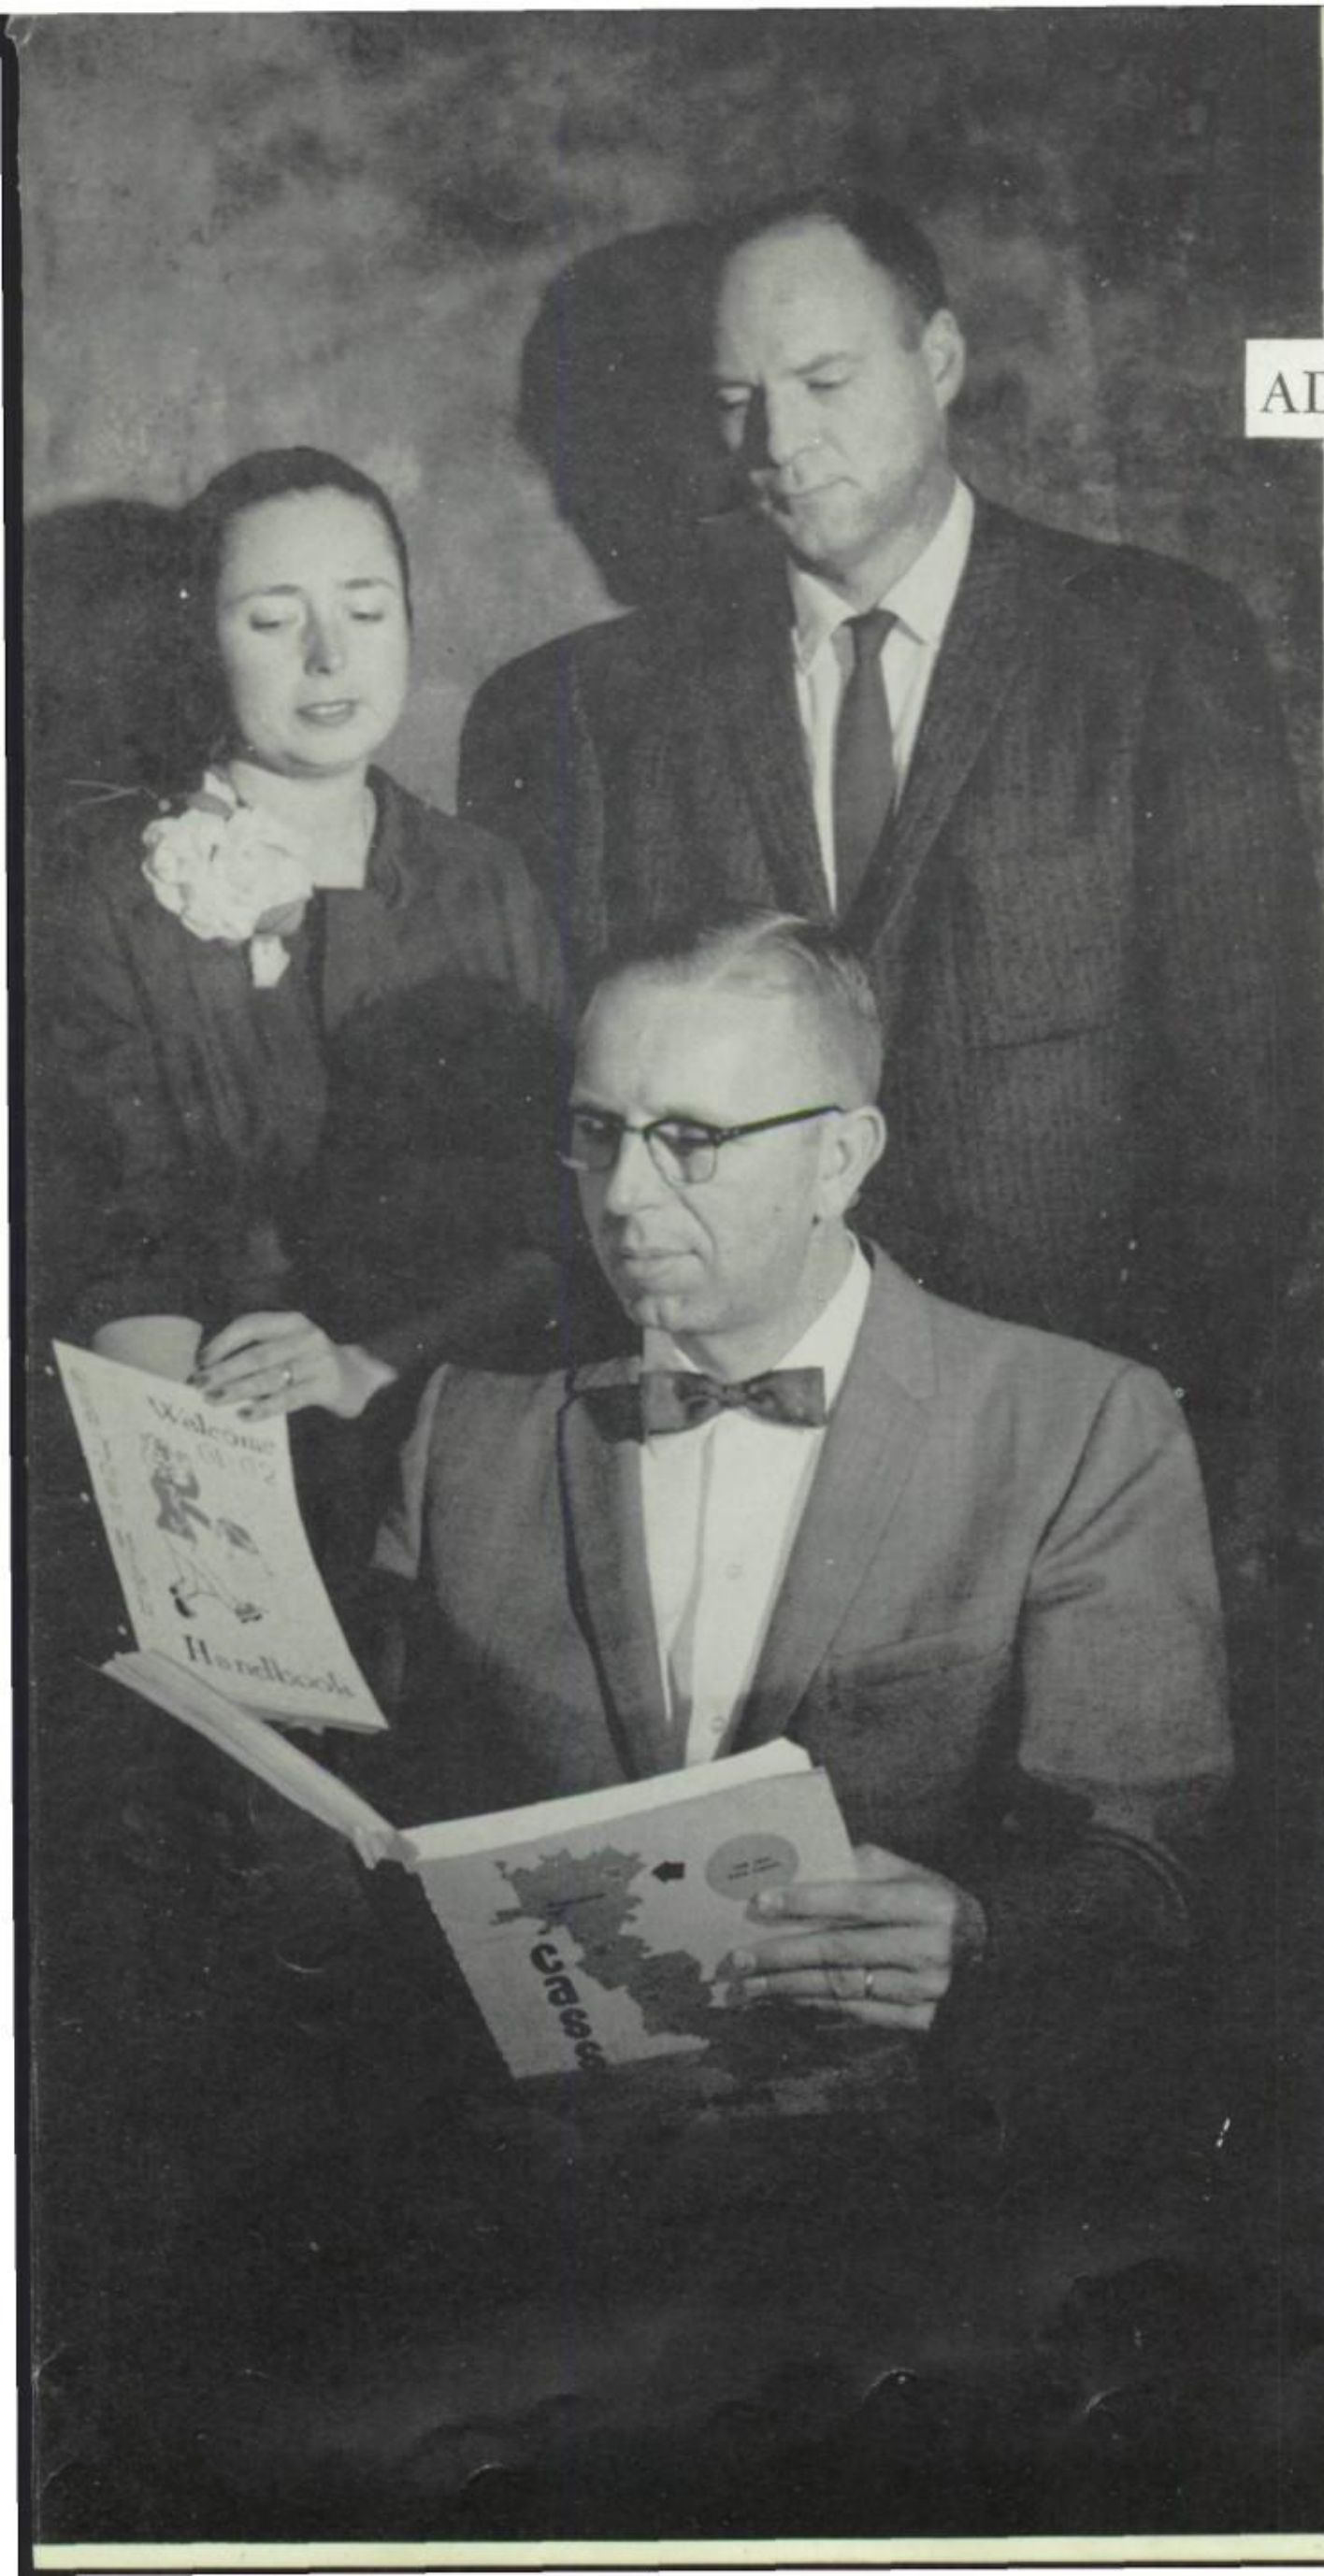

His work is done behind the scenes. The extra time he devotes for service to the school does not go unnoticed, for behind him there is left a job well done.

His time is devoted to many phases of art. The duties he performs compose a long list of varied responsibilities — working with students in Bulldog Studio as their advisor, instructing art classes, and acting as art advisor for *Bell* Staff and *Herald* Staff. He is also head of Mass Media, which promotes publicity of various activities on campus. In each of the duties he performs, he is known for his quick solution of problems and calmness in difficult situations. He is enthusiastic about whatever he undertakes.

In view of his invaluable contributions to San Jose High School, we, the editors of the 1962 yearbook, dedicate our *BELL* to Mr. John Mark Briggs.

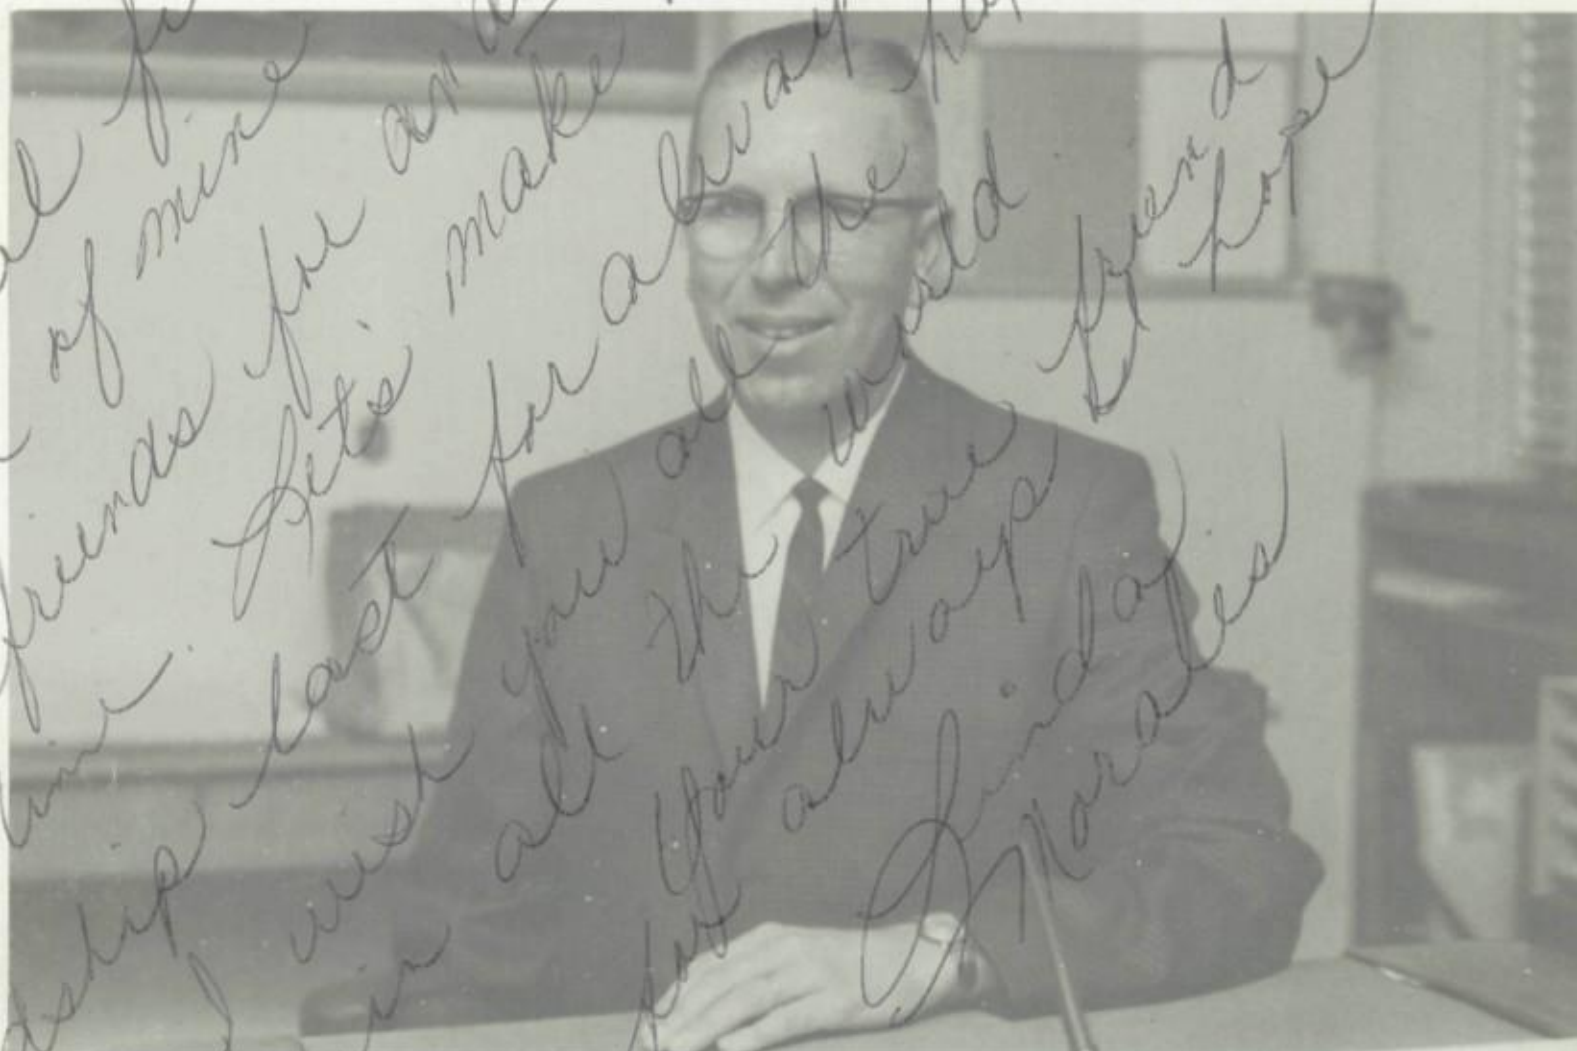

## ADMINISTRATION

*Learning to face the world today requires the help and guidance of our able administrators and faculty. The education of a student is not accomplished by dedicated teachers alone. Guidance of each individual is provided for in shaping the personality of a capable member of society.*

## *Vocational Center offers various trades to boys*

Main purpose of San Jose High School's vocational center is to prepare students for future skilled trades. Facilities for training are located on the San Jose City College campus, where 112 of High's students work in ultramodern shops. One of the most familiar sights on San Jose's campus is the "Tech" bus pulling out every morning at 8 o'clock and every afternoon at 12:05, transporting future craftsmen to their shops.

## STUDENT GOVERNMENT

*In a large democratic society, a republican form of government is necessary. Making use of principles set forth by the Greeks and expounded by the founders of our country, our high school has accorded to its students the right to be represented in its government. Therefore, it is the individual's duty to utilize all the privileges with which he has been endowed.*

Entering as sophomores, we were made welcome by the upperclassmen at the Sophomore Welcome Dance entitled "Sophomore Splash." At the height of the football season, we were thrilled over the Big Bone Game victory score of 27-7. The Christmas Formal carried out the theme of "Silver Bells," and the Bulldog Capers of 1960 presented the warm, wonderful show of "Damn Yankees." Spring semester blossomed with our Sophomore Hop titled "Two Moods." We closed our first year with the sophomore picnic.

In the fall of '60 we returned to campus as juniors. Again the Big Bone remained at home with a victorious score of 20-6 over cross-town rival Lincoln. "Winter Whirl" themed the Christmas Formal for that year. The Junior Prom, "Wonderland by Night," was held off campus for the first time in many a year. "Guys and Dolls" proved a great show for Capers of 1961. Our junior picnic brought the school year to a close once again.

As "mighty seniors," we entered with high hopes of fulfilling plans for a great senior year. The Bone stayed home for the fifth consecutive year with an exciting score of 14-13. We spent an evening of enchantment dancing at the Winter Formal, "Woodland Mist." Our class explored college prospects by visiting local campuses during the spring semester. "International Festival" themed our first Color Day in three years. We were relaxed and carefree dressed in casual attire for Senior Dress Day. The newly-built Elks' Club was the scene of our unforgettable Senior Ball titled "Never Say Goodbye." As one of our last activities together, Bolado Park proved an excellent setting for our senior picnic.

### *Audiences responded enthusiastically*

Bulldog Capers of 1962 presented the Broadway hit, "Pajama Game." The story action centered around a wage war between the factory management and the union workers. Leading roles were played by Ruth Tingey as Babe Williams, chairman of the union grievance committee, Guy Apollo, cast as Sid Sorokin, factory superintendent. Enthusiastic audiences saw the three evening performances presented at Roosevelt Junior High School auditorium on March 22, 23, 24, and a matinee on March 21. Said Mr. Ross Bergantz, director: "This year's cast was fabulous." When the curtains finally closed on Capers of '62, everyone who attended would agree the production was in fine Bulldog tradition.

# AMBASSADOR'S BALL     'Small World'

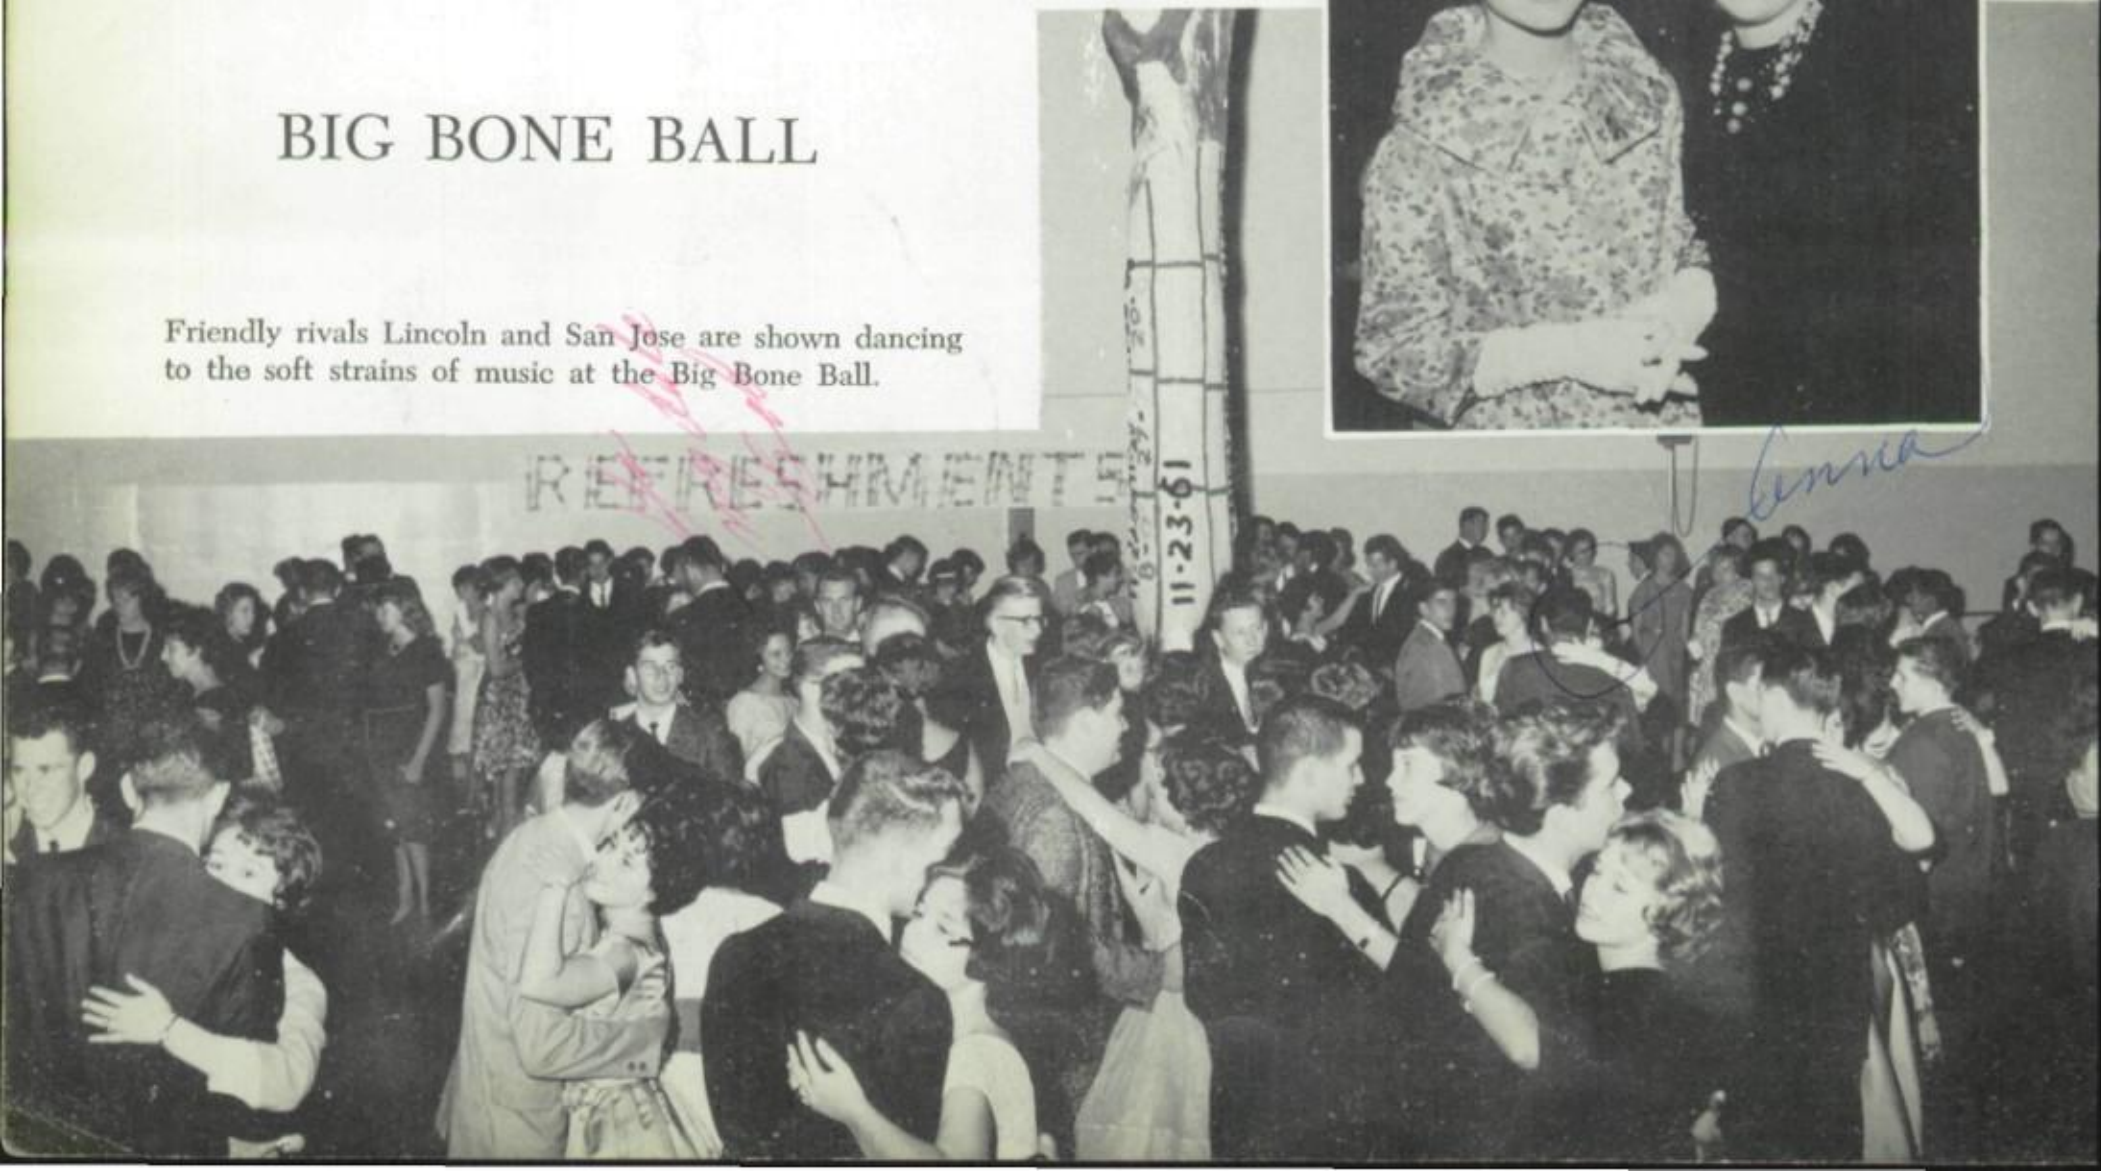

"Small World" titled San Jose's benefit dance to raise funds for the Ambassadors Abroad program.

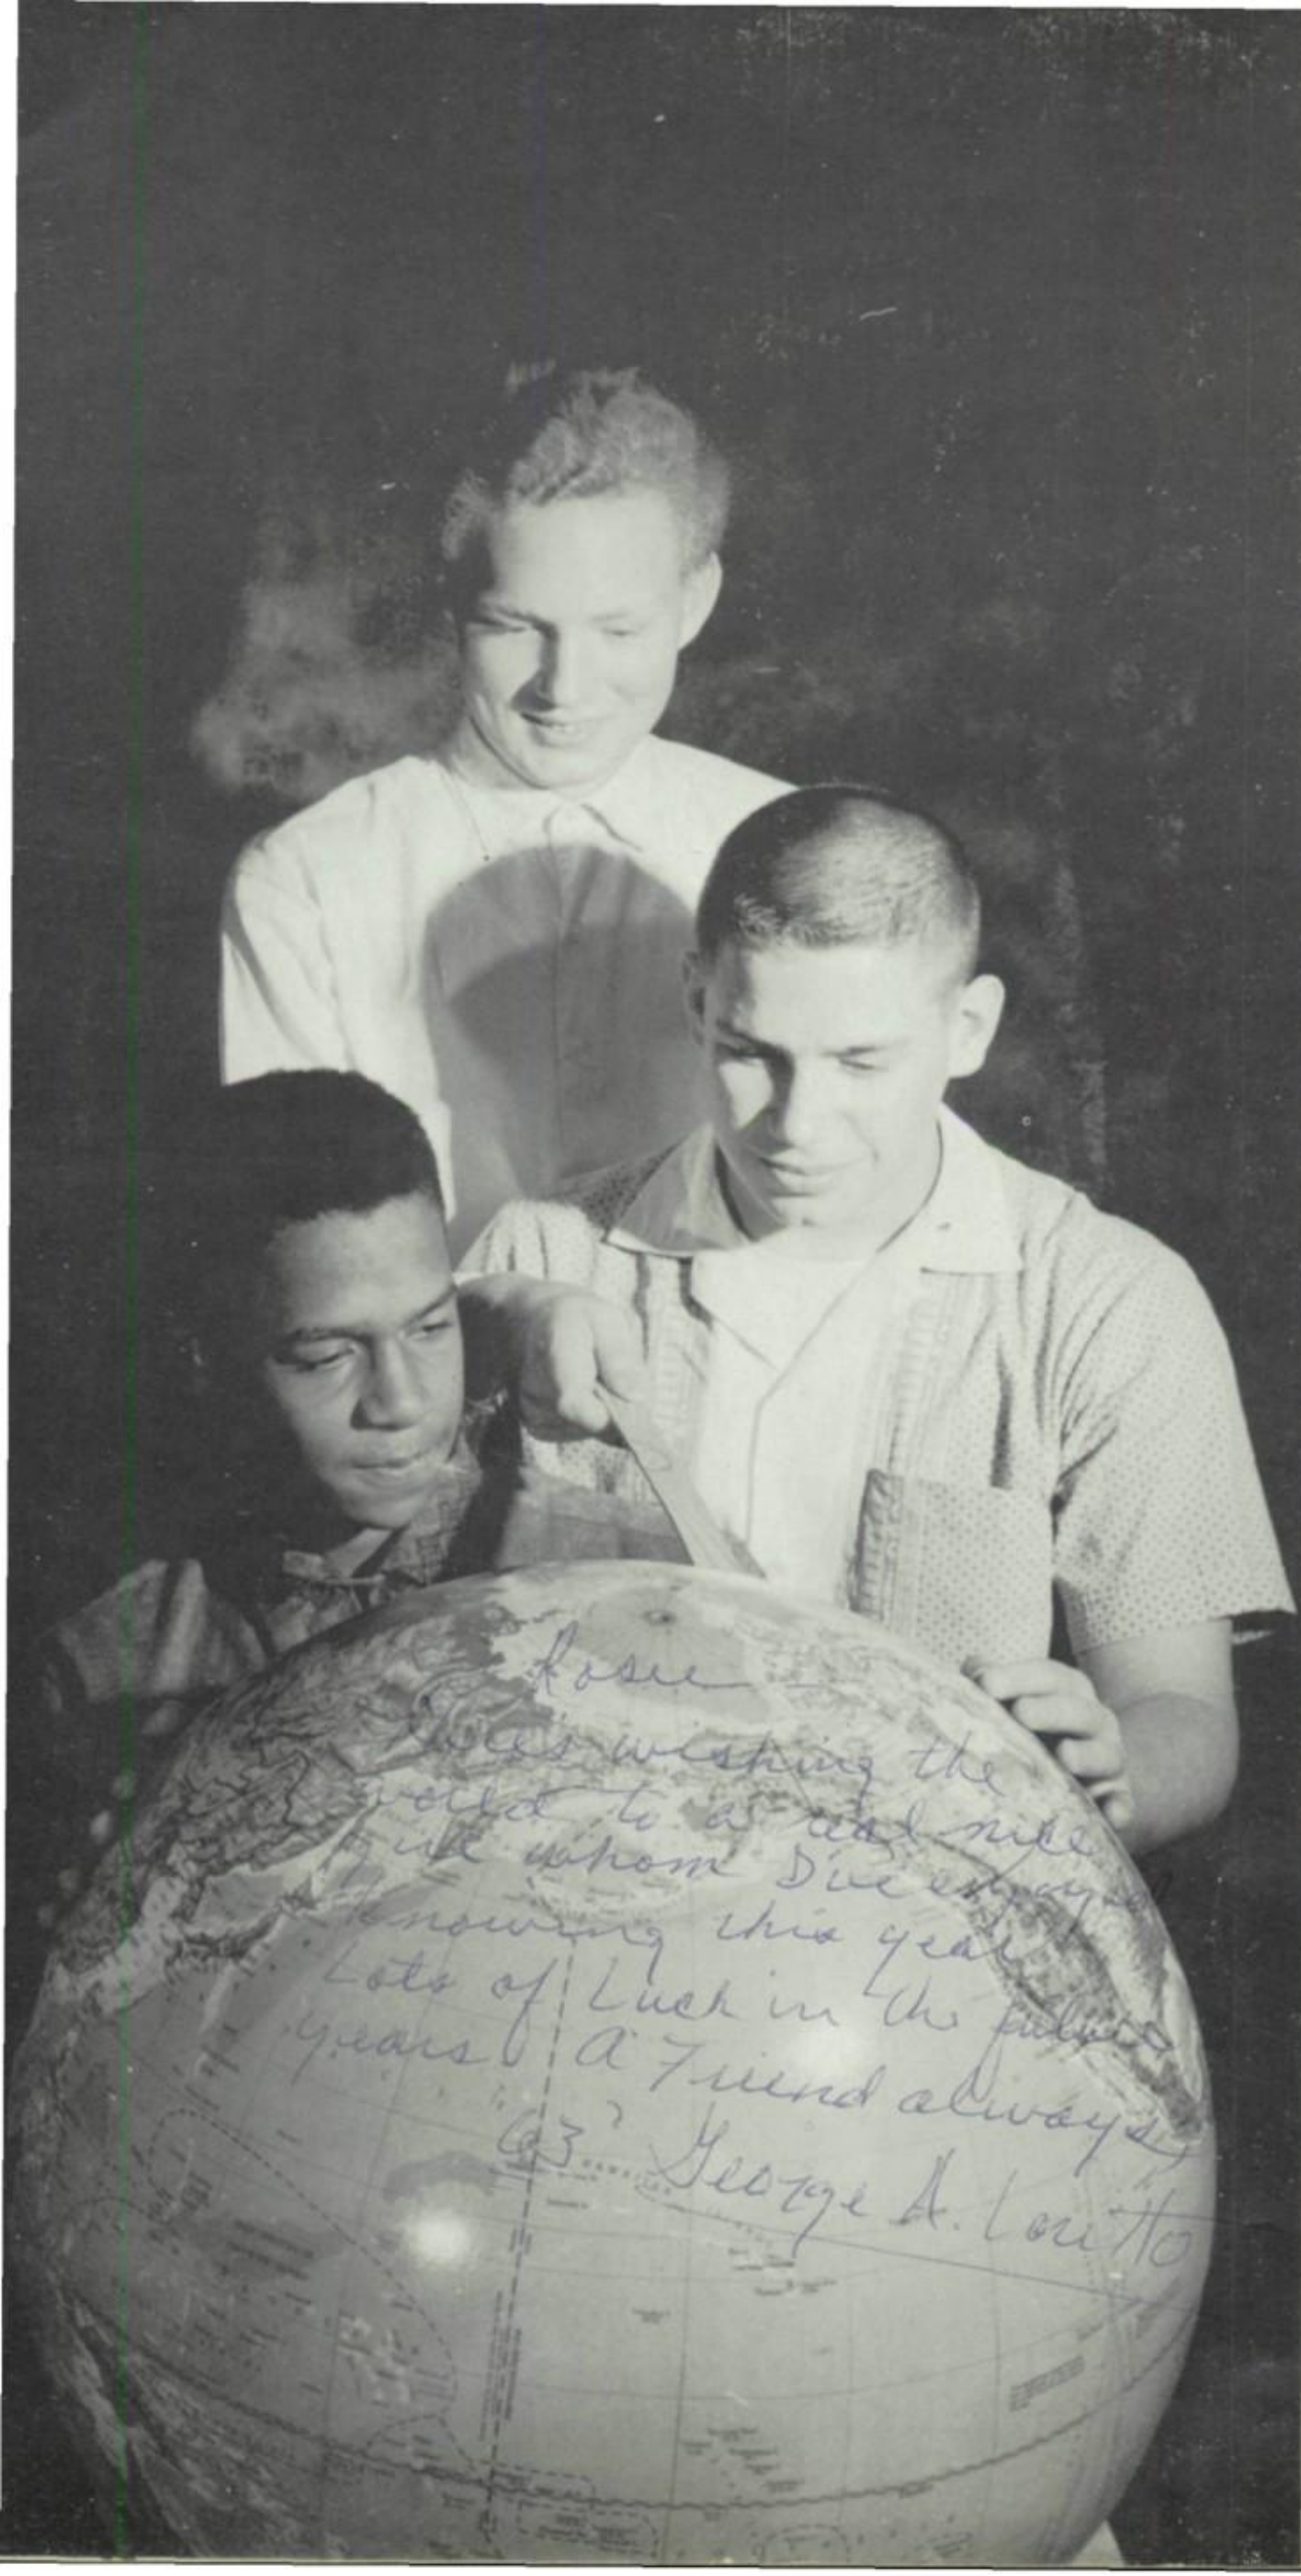

Queens Carol Hendricks of San Jose and Jo Ellen Kuehner of Lincoln lend their beauty to a successful Big Bone Ball.

## BIG BONE BALL

Friendly rivals Lincoln and San Jose are shown dancing to the soft strains of music at the Big Bone Ball.

## LOWER CLASSMEN

*In high school we strive for unity as a student body. Yet each society is composed of different groups. These juniors and sophomores help to promote functions in our school. They bring forth their own leaders and ideas, while conforming to our Associated Student Body constitution.*

## CALIFORNIA SCHOLARSHIP FEDERATION

California Scholarship Federation promotes high standards of scholarship, service, and citizenship on the part of students of the senior high schools of California. In order to become a member of CSF, a student must have a total of ten points earned each semester. A grade of "A" is given 3 points and a grade of "B" earns 1 point. Students may also earn a CSF point by holding class or student body offices. Miss Lillian Hicks sponsors this honor society.

La Sei serves the school by making sports schedules, ushering for A.S.B. activities, decorating for games, and assembling handbooks. The service club, sponsored by Miss Helen Mineta, won the activity trophy in the years of 1954 and 1958.

For the past few years, Excalibur had been the only boys' service club at High, until this year when Tri Bar was reactivated. Decorating for the Sadie Hawkins Dance is one big event traditionally done by Excalibur. Mr. James Hinerman is club sponsor.

"Very best," is the translation of Tres Bonne, one of the girls' service clubs here at High. Founded in 1954, the club has won the activity trophy three times. Sponsored by Mrs. Diane Hawes, the club has worked on door posters and game decorations.

Hi-Ets service club, sponsored by Mrs. Patricia Ann Benner, has donated a large portion of its treasury toward the Ambassadors Abroad program.

Reactivated this year, Tri-Bar boys' service club, advised by Mr. John A. Marsh, was first introduced at San Jose High in 1929 and continued until 1956. The club has rendered services by selling tickets at football games and sponsoring dances. As a special project, the club has sponsored car washes for money-raising projects.

Members of the Future Business Leaders of America Club, sponsored by Mrs. Dorothy Johnson, gain an understanding of business occupations. Each year, since its founding in 1957, the club has held a candy sale to raise money for sending delegates to the FBLA state convention.

## Interest clubs give students

High's Amateur Radio Club strives to increase radio knowledge among its own members by conducting regular code practice and theory instruction. The club's sponsor is Mr. Wilbur Miller.

Pep Club was founded in 1961 to help create spirit and demonstrate Bulldog pride by being the main force behind the rooting sections. Planning and executing card stunts has been one of the main projects of the Pep Club, sponsored by Miss Susan Ralph.

Pep Club is shown in action photo on page 114. The members are as follows:

Youth gets a chance to do service for the community, nation, and world in the Red Cross club, which is sponsored by Miss Sheila Croker. Some of its events are the annual Red Cross enrollment drive and helping in the Palo Alto Veterans' hospital.

The Audio-Visual Club, sponsored by Mrs. Mildred Chatton, offers trouble-shooting sessions for new projectionists. It also trains members of other clubs who wish to learn about Audio-Visual equipment.

*an opportunity to enrich*

The main goal sought by Pen and Parchment is to further student interest in creative writing. The club's big activity of the year is its publishing of *From the Pen*, a magazine consisting entirely of student writing contributions. This club is sponsored by Miss Frances R. Malovos.

Science Club is one of the most active clubs on campus. The members have fun and at the same time increase their knowledge by such activities as the science fair, nature hikes, and lectures. The advisor, Mr. Neil Coley, is a math and science teacher here at High.

*their lives by adding*

Members of the photography club learn to use a camera skillfully and to appreciate excellent photography. Taking pictures of student activities is part of their duties. The club's sponsor is Mr. Michael Fernandez.

In the spring of 1959 the Thunderbirds club was founded. The club handles such backstage activities as sets, props, and sound at San Jose High stage productions. The advisor of the club is Mr. Gerald Eknoian.

Stimulating interest in mathematics is the endeavor of the Math Club. As a special project, the club members select topics on which to report. The club's sponsor is Mr. James Hood.

Keeping the library open each noon is a major project of the Student Library Assistants of Northern California chapter, sponsored by Mrs. Mildred Chatton. They also sponsor a Book Week open house in the library. Lynne Crawford was state president this year.

*to their knowledge*

Medical Careers gives students an opportunity to acquaint themselves with the medical field. Its sponsor is Mrs. Ella Griset, the school nurse. Members have visited San Jose State's nursing and hygiene departments.

To develop agricultural leaders has been the goal of Future Farmers of America since its organization here in May of 1944. Each year the club, sponsored by Mr. Douglass Thorne, sends one member as a delegate to the F.F.A. national convention in Kansas City.

*of various activities*

Chartered by the state in March 1956, the Tomorrow's New Teachers Club has as its main purpose the promotion of interest in the teaching profession. A special project for a scholarship fund is anticipated for the future. The advisor is Mrs. Mary Lou Thompson.

Now concluding its initial year, the American Field Service Club endeavors to create a better understanding of the exchange student program. The club's biggest project of the year is the organization of the Ambassador's Ball. Miss Eleanor E. Enrione sponsors the club.

Handling the finances of High's student body are members of Bank Staff, sponsored by Mr. Howard Bonniksen. The staff also sells school supplies and souvenirs at the Bulldog Store.

*in many subjects  
and vocations.*

Library assistants are assigned by periods to assist the librarian with such duties as checking books in and out and shelving them. The sponsor is Mrs. Mildred Chatton.

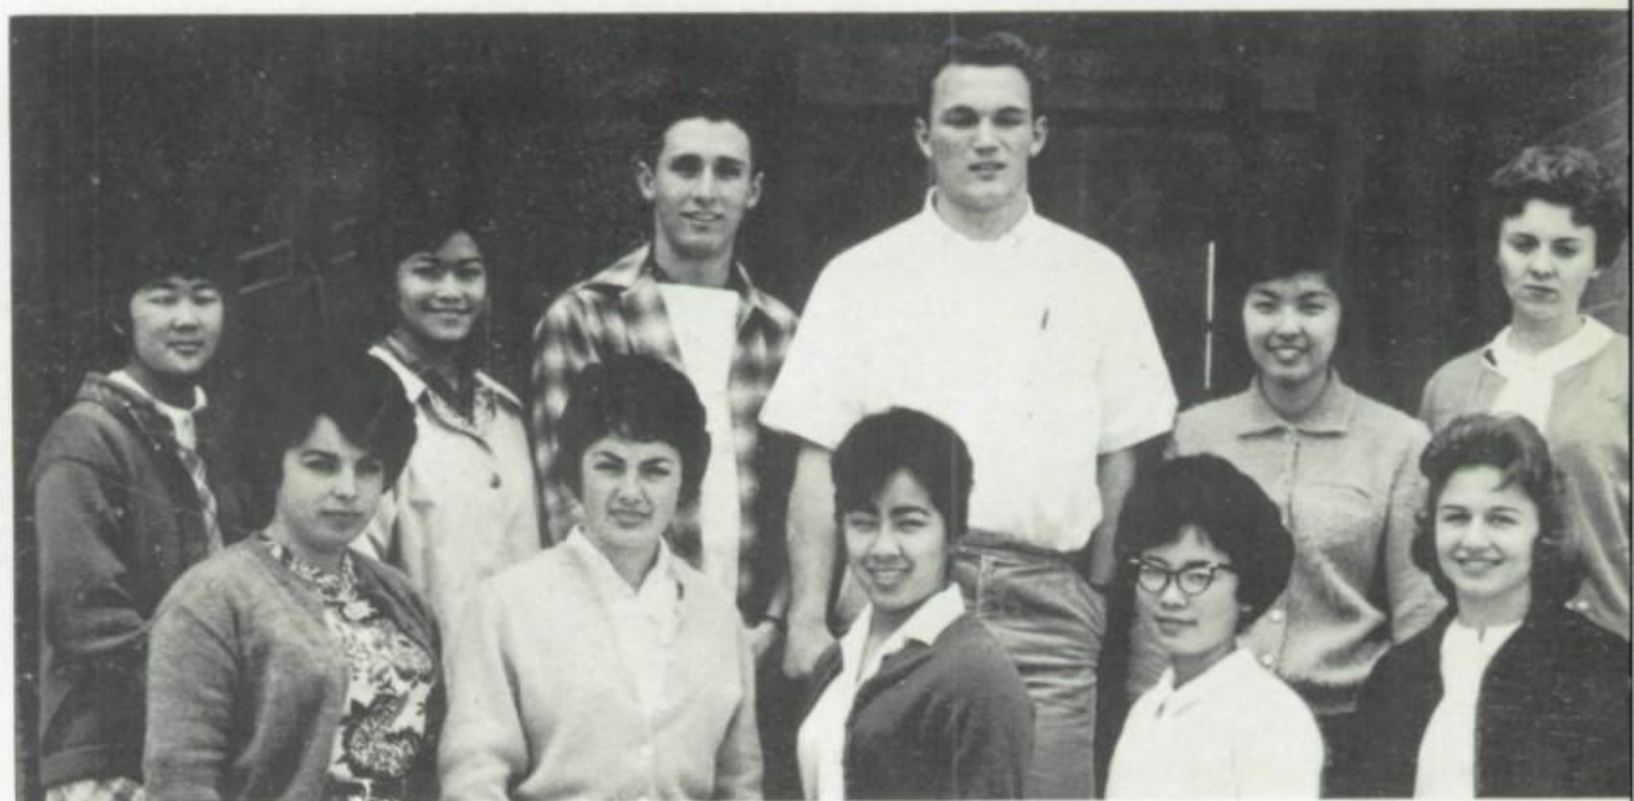

Office assistants act as switchboard operators, post absentees, file excuses, and help the registrar and the administrators. The two attendance secretaries, Mrs. Irene Nelson, and Mrs. Sally Goodman, advise the group.

*Election Committee* — Members of Election Committee register the voters and count ballots for the results of the election.

*Bids Committee* — The general activities director presides over Bids Committee meetings. Representatives from each service club are members of the committee.

*Dance Committee* — The big activity of the year was making plans and decorating for the Big Bone Ball. The Dance Committee was also in charge of this year's Sophomore Welcome Dance.

Dear friends:

This year, my last at High, will undoubtedly be the most memorable for me. It has included my Senior activities, but better yet: a wonderful year with the students at San Jose.

When my visit last summer to Santiago, Chile, was concluded, I looked back on the days spent there with fondness and joy. It was a summer which always will hold a place in my heart, for it taught me that other people of the world are the same as you and me. It also gave me the hope that because of this similarity, there might be a better understanding of each of these peoples in the world. I will always be grateful to the American Field Service and all the people who made it possible for my trip abroad and for the chance to gain this knowledge — and, in turn, to acquaint you with the people of Chile.

Sincerely,

*Jean Johnson*  
JEAN JOHNSON

Every year one of High's students is chosen to represent our school abroad. The representative is chosen from the finalists by the

main office of the American Field Service. As of this date the two finalists are Ed Laclergue and Nick Carter.

Dear friends:

One year has gone by since I first came to San Jose High, a year which brought for me many interesting and exciting moments. I know that I owe a lot to the American Field Service for making it possible for me to have spent this time in San Jose, but I also know that I owe very much to you students and faculty members of San Jose High, who made the last year the most interesting one I ever spent in my life. You made me feel welcome from the first minute on; you were so friendly to me at all times and tried to help me wherever you could that I already knew after a few days: I wasn't a "stranger" any more, but a member of San Jose High School. And although I shall not see you again after this year (who knows?), believe me, I never shall forget you. During the past year I learned quite a bit: I learned to like pizza and hamburgers, and I learned to like the "Twist." I learned to like milkshakes and hot dogs, and I learned to like baseball games. But, what is most important, I learned that it is possible for people of many nationalities and religious backgrounds to live together in peace and to be friends.

I do not know how to express my gratitude toward you; maybe you can understand what I feel if I just simply say: "THANK YOU."

Your friend,

## *Herald Staff stimulates the thinking of the student body*

To inform the student body of current happenings is the purpose of *Herald* Staff. Constantly striving to improve its already first-place publication, it has steadily called for active work for

world peace. This year it adopted a method of distributing the *Herald* by placing it in racks in the halls.

Sportsmanship and the at-  
 titude of the player are but  
 a part of a winning team.  
 Team support both on the  
 field and in the stands  
 helps to support a victory.  
 But there have been times  
 that the bitter taste of de-  
 feat has come to our lips.  
 This is when sportsman-

 Playing the game well is  
 more important than vic-

## *Big Bone stays home a fifth year*

This year marked the nineteenth anniversary of the annual Big Bone Game with our cross town rival, Abraham Lincoln High School. The traditional tilt was established in 1942.

The game was first played on Armistice Day, but the following year it was changed to Thanksgiving Day; since that time the game has

been a regular feature of the Thanksgiving holiday at Spartan Stadium.

Our win-loss-tie record now stands at 7-10-3 respectively, including a 1957 split in a two-game series. This year's win of 14-13 makes the fifth consecutive year that the "Big Bone" has remained on our campus.

Varsity football players carried San Jose High to a second place in the Santa Clara Valley Athletic League -- East division.

Mr. Chris Pappas, Varsity coach, records the highlights of the season:

"The Varsity football team had a very successful year with 7 wins, 1 loss and 1 tie. The team started off the year with some untested men, but as the season progressed they had their chance to show what they could do under fire and came through with flying colors.

"One of the gratifying things of this Varsity was that they never gave up. There were many

injuries to key personnel; however they kept their spirit up and continued to win ball games. Many of the team members played as many as four different positions during the season, sacrificing personal glory for the good of the team. The team had fine leaders in Gary Landi, Ken Silva, Walt Esparza and Benny Garza.

"The school can be quite proud of the fine record made by the Varsity this past year and also of the fact that when adversity set in, the boys did not let it get them down. In fact, adversity seemed to make them work harder to prove to everyone that they were champions in their own right."

The annual Lincoln-San Jose Big Bone Game this year marked a fifth consecutive San Jose victory. A close game to its nerve-racking final gun, the Turkey Day contest climaxed and concluded S.J.'s football season.

Ron Rosso, number 38, blocks Lions' point after touchdown, assuring San Jose's one point advantage over Lincoln.

Naomi Honda, varsity cheerleader, watches tensely as the crowd cheers San Jose's gridmen.

B gridgers kept the Little Bone by scoring a last-second touchdown for a one-point 7-6 victory over Lincoln. Defeating Pioneer and Willow Glen as well, the Bulldogs were champs of the school district. Qualifying by height, weight, and

age exponents, the team was beaten by champion Hill squad, and edged, despite High's steady challenges, by runner-up Ayer's kickoff return. Season's tally was six wins to three losses, giving them third place on the league roster.

## Junior Varsity marks good season showing

San Jose High's junior varsity football team ran up against rough traveling in the 1962 season. The squad had a strong line, but the backfield proved the weakest link in the mighty chain. In general, the coaching staff felt that the experience and team hustle of this JV squad promises real depth for future varsity clubs.

## *B's capture crown with undefeated season*

*Here in his own words, Coach John Iskra describes the "B" Basketball squad's championship style:*

"A championship team is composed of a maximum degree of desire, a good supply of talent, and a lot of hard work. A perfect record in league play was gained from all the above. From the top scorers and playmakers to the substitutes who worked so hard, each man did a fine job.

"It would take too much space to name each outstanding player who contributed to our league crown; but we must, however, recognize the efforts of one such person, Chuck Valenzuela. In addition to his being selected the 'Most Valuable Player' in the Menlo-Atherton B Tournament, where our boys won the Consolation Championship Trophy, he was by far the outstanding player in the SCVAL-EAST B Basketball League.

"All those players comprising San Jose's B team did a fine job in this year's efforts and achievements."

## League championships reward C's and D's

"San Jose High School can well be proud of the accomplishments of this year's C and D basketball champions," Coach Jack Avina remarked. "These teams not only won championships, but also finished the schedule without defeat.

"A true champion must stand the test of courage and fortitude under adverse conditions. The D team, the 110's, this year met the challenge every game and responded to it like champions. Our C's, the 120's, had easier sledding until the Washington game. At the start of the fourth quarter, Washington led by 12 points. Our two top scorers and rebounders were on the bench because of fouls. An ordinary team might have folded, but we rallied and raced to a 5-point victory. Thus are champions made."

If the several impressive wins at the opening of the season were a good indication of what was in store, San Jose had a victorious combo in baseball. Winning its first two league contests, the Bulldogs

continued to overpower its opponents. This squad was loaded with depth and experience. The '62 diamond men proudly took their places alongside the successful teams of the past.

## *Soph base-runners take their place*

This year's sophomore diamondmen enjoyed a victorious season, although pitted against a schedule of tough opponents. The 1962 club chalked up a number of close victories. One such victory was in the opening game against Sunnyvale, who were defeated by one point. The final score of the game was 7-6, in favor of the red and gray.

As a unit, the glovemen have exhibited smooth coordination, both in the field and behind the plate. Altogether, the sophomore team has shown itself a credit to San Jose tradition.

## *S. J.'s Varsity spike men burn up the oval*

To be successful in any sport, a participant must have ability. Besides this, however, one must put in a lot of work. This year's varsity track team showed proficiency in both of these elements. In its opening meet, the cindermen outran Pioneer's efforts to arrive at a 71-51 victory. The squad also handed Willow Glen its first dual meet defeat in four years, with a varsity score of 69-50, a B team score of 53-50, and a C tally of 61-0.

San Jose High's tennis squad out-maneuvered Willow Glen in its opening encounter, winning 4-3. Coach Clarence Sloetzer stated that the team showed great championship promise with Washington as its main rival.

## Netmen and Wrestlers show potential

Grapplers at San Jose included two league champions, senior Jerry Herrera, 191 lbs., and Walt Armijo, 98 lb. class. Medal winners were Jim Oliver, 191 lbs., Vaughn Imada, 103 lbs., and Adrian Rodriguez, 138 lbs. San Jose hosted the SCVAL tournament. An experienced squad is anticipated for 1962-63 by Coach Donall Hogan, with a good shot at the league championship in the near future.

## Girls Athletic Association promotes

These girls of seventh period sports demonstrate their abilities in badminton.

Girls of GAA exhibit their skills in various sports by participating in play days and in competition with other schools in the area. They work for points to achieve their blocks, their stars, and their chevrons. The girls have more time to learn about the different sports and they also take time out to learn the rules and how to officiate the games.

The GAA program also includes the aquacade held each spring. The girls practice diligently during seventh period and after school. Part of the preparations for this activity by the girls is in the designing and making of their own costumes, props, and routines.

# HAIL TO THEE

Hail to thee, Hail to thee  
Hail to thee our alma-mater  
In whose gentle hands we find  
Love and faith in all mankind.

Oh, Hail to thee, Hail to thee  
Our heroes fight for aye.  
Hail to our alma-mater  
Hail San Jose.

To Rose,  
A real sweet  
girl who is a  
heart, below her  
this summer,  
Remember,  
Love  
Dana

To a real  
sweet girl  
Best of luck  
in the years  
to come. May  
all your problems  
be small.  
Always  
Happy
